CONVENTION HIGHLIGHTS: The Friends of Old-time Radio had its annual convention on Oct. 16 and 17 at Holiday Inn in Bridgeport, Ct. Many celebrities were present often with spouses or friends including Lee Allman, Arthur Anderson, Ira Ashley, Jackson Beck, Court Benson, Fran Carlson, Lon Clark, Nancy Douglass, Elspeth Eric, Walter Gibson, Art Hanna, Raymond Edward Johnson, Evie Juster, Betty Tyler Karp, Teri Keane, Bill Lipton, Charlotte Manson, Audrey Marsh, Grace Matthews, John Moore, Joan Mayno Valenti, Ann Loring, Ward Byron, Arnold Moss, Bill Owen, Bob Prescott Jr, Pete Prescott, Rosa Rio, Sidney Slon, Arthur Tracy, Blair Walliser, Mike Warren-Connecticut celebrity, and a surprise appearance by Kenny Delmar. They were all present throughout the afternoon and evening. They socialized with the people, presented 2 radio shows and 12 received awards.

The convention started on Friday at 3:00 when 90 people attended cocktails and a buffet supper. On the program was musical trivia by Jay Hickerson, an award to Bill Owen, slides of the Nat. Broad. Hall of Fame, and several video tapes.

On Saturday the convention started at 9:00 with 33 dealer tables and movies. Some dealers were D Aston, R Barnett, E Carr, B Davis, G Dudash, J Furman, R Gesner, R King, G Kramer, C Seeley, T Tollin, S Weiss, J Webb. Most of the clubs were represented. Collectors from over 16 states and 2 provinces were present.

All workshops were presented including: Acting and sound effects (Prescott brothers and Brad Gromelski); OTR in the Community (G Yoggy); OTR Authors (T Salomanson, Bill Owen, C Stumpf, T Tollin, Ron Goulart, W Gibson, Ron Lackman, Roger Paulson); Trivia contest (R King); Al Jolson Special (Ed Greenbaum and Herb Johnson); Views of Collecting Experts (R Barnett); video workshop (K Piletic); Recording Techniques (G Kramer); Anecdotes by Producers-directors-writers (I Ashley, S Slon, B Walliser, A Hanna, A Loring); A reading by R E Johnson of "Cask of Amontillado"; Recreation of IY TRUE STORY; Panel discussion led by Betty Tyler Karp.

Cocktails and dinner followed. At 6:30 we placed a happy 90th birthday call to Parker Fennelly who was having a birthday party at his home. There were 226 people for dinner and another 87 in the afternoon. Arthur Tracy entertained with several songs. Lon Clark and Charlotte Manson led an all-star cast in a Nick Carter program. Rosa Rio supplied the music and Bob Jr. and Pete Prescott supplied the sound patterns.

The Allen Rockford Award was given to Charles Stumpf. Mike Warren, a Conn. broadcaster and entertainer received a special award. 10 special guests then received their awards. Kenny Delmar paid us a surprise visit and entertained us for a few minutes.

The guests were very gracious in granting interviews and mingling with the people. I want to thank them again for giving of their time to be with us.

Also the committee did a wonderful job. Many thanks to my co-chairman, Joe Webb. Also special thanks to Annie Webb for typing the Nick Carter Script; Stu Weiss for organizing rides and spreading the word in New York City; Julie and Larry DeSalvatore for the program; Karen Nater for typing all the invitations to our special guests.

Ken Piletic video-taped much of the affair. For details of how to get a copy send Ken a SASE to 705 S Oltendorf Rd, Streamwood, Ill 60103. It will probably take one 6-hour cassette. Terry Salomonson audio-taped much of the convention. Details of obtaining a copy may be had by sending Joe Webb a SASE to Box 268, Glen Cove, NY 11542. This will probably take one 1800' tape. Many workshops ran concurrently but each one was either video or audio-taped.

Ron Barnett presented a special plaque to Joe Webb and myself. It was very much unexpected and very much appreciated.

Dear Friends of Old-time Radio - Thank you all so very much for bestowing the great honor of the Allen Rockford Memorial Award to such as I. To me it is one of the greatest honors of my life.

A PERSONAL NOTE: I received a note from a long-time subscriber upset about the short length of Hello Again and the lack of certain information about new shows, etc. He is right to an extent. 10 years ago HA had as many as 16 sides (8 pages). Due to less time and also many other newsletters covering certain areas, HA is now 2-4 pages. Several months ago I started using a different typewriter. Because of smaller type, I get on 2 pages what I used to get on 3. Also I need information from my readers. I depend on that. Let me know about new shows and other things. The mail over the last 2-3 years has dropped considerably. I subscribe to Broadcasting, Billboard, and Variety. I still have about 260 subscribers plus 40 people who get HA at no charge. I have kept the cost at \$6.00 since 1976. As of November the cost will still be \$6.00 but I will ask, for inserting flyers, \$15 or a sample of what you are selling (my choice). Many readers have been very generous already and I appreciate this... HA was delayed because of the convention. Because of that plus a large amount of work, the Oct. issue is an Oct-Nov issue. This is the first time since 1970 this has happened, but I felt a little too much pressure in getting this out in October. If you have written wondering where your Oct. issue was, I apologize...In the future some issues may come out every 2 months.

FREDRIC MARCH
starring as

Dr. Jekyll and Mr. Hyde

"He was most scantily furnished with flesh," wrote Mark Twain of Robert Louis Stevenson in 1887, "his clothes seemed to fall into hollows as if there might be nothing inside but the frame for a sculptor's statue. His long face and lank hair and dark complexion and musing and melancholy expression seemed to fit these details...his splendid eyes... they burned with a smoldering rich fire under the penthouse of his brows..."

The intensity of Robert Louis Stevenson's personality is nowhere better expressed than in his masterpiece of good and evil...Dr. JEKYL AND Mr. HYDE Based on a nightmare suffered by Stevenson, this classic story of sadistic menace and subtle tones of scabrous sex was filmed by Hollywood three times...once starring

John Barrymore...Frederic March in 1932...and Spencer Tracy in 1941. Yet only the Academy Award performance of Fredric March is considered the definitive characterization of literature's most enduring fiend. The original Fredric March film has not been screened anywhere in over fifty years. Yet you can now enjoy the top-notch performance of Fredric March as Jekyll and Hyde in a rare RADIO broadcast.

Originally aired on November 19, 1950 on the THEATER GUILD the program was unavailable to radio collectors and many believed copies were totally destroyed. But now you can receive your own personal copy of this thrilling chiller on a quality C-60 cassette dubbed DIRECTLY from an original disc in my possession. And each cassette is custom dubbed in REAL TIME in order to retain the full frequency of the master ET.

Each C-60 cassette available in hard plastic case for \$5.50 POSTPAID!
